Tales of "The Week of Dublin's Nightmare"

Constant Firing by Rebel Snipers, Streets Empty Except for Militia, Fires That Threatened the City-These Were Visible Evidences of the Sinn Fein Rebellion.

A Cheerful Outlook.

By ARTHUR S. DRAPER. I while his companion stood ready at the

May 5. To most of the ritish, French and American men who accompanied Chief sirrell on a British torpedo over from Holyhead to Dubover from Holyhe A bowl of hot chocolate immediately preceding a trip in the stuffy cabin of a destroyer is the worst punishment that could be meted out to a Sinn Feiner. As we raced past Kingstown and Howth the City of Dublin could be found a place in the cap-

four instead of fourteen men.

Strell found a place in the capcabin.

You have never been on a destroycossing the Irish Sea you can get
motion of the motion by crowding
harrel and taking a trip through
long trip down from London had
us cold. So when the steward
sied hot chocolate it sounded iny. Fourteen guests taxed his supfeups and saucers, and we were
sway before the first steaming
same tectering in from the pantry,
ups we had been going fifty minwhen a New Yorker who is as
one as Irvin Cobb began to comof the bad air, grow pale about
oils and iurch toward the iron

The bright morning sun had not yet
broken through the light mist which
hung over the Irish hills. A few trawlers were slipping out on their mission
for the British Admiralty. A great
steamer loaded with troops was drawing alongside the quay at Kingstown;
no other craft moved about the bay
we learned when we backed up in front
of the Customs House. One at a time
we were permitted to go up on deck
and have a look at Liberty Hall, the
rebels' headquarters, just on our left. we were permitted to go up on deck and air, grow pale about and have a look at Liberty Hall, the rebels' headquarters, just on our left.

The honor of being the first civilian to see the damage fell to the lot of an American who came down thrilled with the story of rifle and maxim fire all about.

and his feet on top of a bag of a proclaiming martial law in IreMy other companion, the Frenchwas weak in English, and my is anzemic.
In I joined the party on deck not could be seen. The destroyer tossed, rolled, her low decks like a Long Island Sound racer g before a stiff breeze. Holding of anything within their grasp, regular reporters were swaying in imminent danger of swept away.

The worst shot in the Solutely ignorant of the danger surrounding us. The worst shot in the Irish Republic's army could not have missed us had he shut his eyes and pulled the trigger with his big toe. Ferhaps we were mistaken for the advance guard of the German army of invasion, which Sir Roger Casement
